Hi Rebecca, Heather, and Tom,

[Here](#) is the Larchmont Village BID Utility Box survey that we will send out and promote as a call to artists.

Let me know if there are any comments or suggestions for the survey. I would like to use a higher-resolution photograph of the BID's logo, so please send one my way.

The timeline would go as follows:

Submission deadline - November 18th

Selection decided by - November 25th

Installation finished by - December 23rd

Thank you very much,

Ma'ayan Dembo
